* This study plan refers to the curricula of the Master programs „Master in Economics“ und „Laurea Magistrale in Economia, Finanza e Integrazione Internazionale, Percorso Industrial Organization and Market Strategies“.

Students should take at least one of the seminar modules related to the core curriculum (6 credits). Seminar modules are provided by the responsible chair.

** English as language of instruction is only guaranteed in the Economics core curriculum – most of the Business courses are taught in German.

Students have to chose courses different from those already taken during the 1st year. A learning agreement must be approved by the home and the host university.
