Master-Thesis 24 EP

* This study plan refers to the curricula of the Master programs „Master in Economics“ und „Laurea Magistrale in Economia, Finanza e Integrazione Internazionale, Percorso International Economic Integration“.

Students should take one of the seminar modules related to the core curriculum (6 credits). Seminar modules are provided by the responsible chair.

** English as language of instruction is only guaranteed in the Economics core curriculum – most of the Business courses are taught in German.

Students have to choose courses different from those already taken during the 1st year. A learning agreement must be approved by the home and the host university.
