* individual grades cannot be assigned due to the different grading systems

Note:

- 1 Applies only for University of
- 2 Applies only for University of
- 3 Applies only for CULS
- 4 Applies only for Dokuz Eylül Üniversitesi
 - The rounding required in grade conversion is agreed upon with the Faculty of Business, Economics and Social Sciences.
 - Individual universities assign grades according to other systems. In these cases an individual conversion is necessary.
- These conversion tables do not apply to foreign exchange students who wish to have their grades recognized at their home university, and do not apply to foreign applicants applying for regular studies at the University of Hohenheim.
- In other countries (e.g. Turkey, Switzerland) the grading systems differ from university to university, sometimes even from faculty to faculty. In these cases, an individual conversion is necessary. This also applies to many non-European countries such as USA, Canada and Australia.
