Application deadline: March 31st, 2022

Hohenheim Summer School 2022: July 04th - July 22th
WORK, DIGITALIZATION AND SUSTAINABILITY

SAVE THE DATE & JOIN THE HOHENHEIM SUMMER SCHOOL 2022!

The world of work is subject to a fundamental change triggered by the megatrends digitalization and sustainability. The Hohenheim Summer School 2022 will provide insights into the interconnection of WORK, DIGITALIZATION AND SUSTAINABILITY. Following an interdisciplinary thinking, the coursework takes the participants through a range of lectures that draws on management science, economics, ethics, psychology, pedagogy and sociology. By visiting the Hohenheim Summer School 2022, participants will gain new insights to understand, critically reflect and manage the current and future transformation of work driven by digitalization and with respect to the ecologic, economic and social dimension of sustainability.
