

Declaration*

I hereby explain,

Last name, first name

Matr. Nr.

that I have adhered to the rules of good academic practice in this **internship report**. I have written this paper independently, have used no sources other than those cited, and have clearly indicated any passages that have been reproduced verbatim or in substance.

I wrote this internship report on my own, without using any text-generating AI tools (e.g., ChatGPT, Gemini, etc.). The use of such tools is considered an attempt at deception.

I further declare that the unencrypted digital text document of the thesis has been submitted, and that its content and wording correspond exactly to the printed copy. I agree that this electronic version will be checked for plagiarism using analysis software.

Place, Date, Signature

* This statement must be attached to the independently prepared paper as an appendix. Papers without this statement will not be accepted.
