

University of Hohenheim
Dean's Office Faculty of Business, Economics and Social Sciences
Attn. Bettina Scheuing

Recognition of credits in the Bachelor's programs: Digital Business Management, Sustainability & Change, and Business Administration and Economics

First name	
Name	
E-mail	
Telephone number	
Matriculation number	

Please note that credit can only be granted if the achievement of **a total of 6 ECTS credits** is proven.

The registration of the respective module in HohCampus must be done before handing in the certificates are handed in!

Send the certificates of all achievements to be credited, if necessary the proof of registration in HohCampus and this form by e-mail to: anerkennung-wiso@uni-hohenheim.de

The achievements should be credited for the following module:

- Graded portfolio module in the free elective area (5000-320)
- Ungraded portfolio module in the free elective area (5000-280)
- Language module of a business language in the free elective area
- Language module of a business language in the profile area International Business and Economics

Registration via HohCampus has been made (is necessary for all applications)

Proof of registration at the HohCampus is enclosed as a copy (**only for applications for Recognition of a business language module in the international profile**)

I hereby apply for the binding crediting of the achievements. With my signature, I assure that these are not or have not been the subject of any other crediting procedure at the University of Hohenheim. I also certify that the information I have provided is correct.
