Please note that credit can only be granted if the achievement of **a total of 6 ECTS credits** is proven. **The registration of the respective module in HohCampus must be done before handing in the certificates are handed in!**

Send the certificates of all achievements to be credited, if necessary the proof of registration in HohCampus and this form by e-mail to: anerkennung-wiso@uni-hohenheim.de

The achievements should be credited for the following module:

- graded Master's portfolio module* in the free elective area (5000-610)
- ungraded Master's portfolio module* in the free elective area (5000-620)

** One of the two business or social science modules from the free elective area can be substituted once for a graded or ungraded portfolio module.*

Registration via HohCampus has been made (is necessary for all applications)

I hereby apply for the binding crediting of the achievements. With my signature, I assure that these are not or have not been the subject of any other crediting procedure at the University of Hohenheim. I also certify that the information I have provided is correct.
