UNIVERSITY OF HOHENHEIM

Università Ca'Foscari Venezia

Master in Management (M.Sc.)*

Laurea Magistrale in International Management*

1. Year: Universität Hohenheim 60 EP

Compulsory basic modules** **18 EP**

- Applied Quantitative Methods (6 EP) (5103-440)
- Multivariate Data Analysis (6 EP) (5301-470)
- Modelling & Decision Making (6 EP) (5303-490)

Further modules: **42 EP**

Choose Modules from the whole curriculum (curriculum of the faculty of Business, Economics and Social Sciences).

You can find a list of English modules here: Information for Incomings: Fakultät Wirtschafts- und Sozialwissenschaften

Over the two years, students have to obtain a minimum of***:

- 48 credits in Business
- 12 credits in Economics
- 6 credits in Statistic / Math
- 6 credits in Legal (to be taken in Venice)

It is recommended to take a Seminar module within the major field during the second semester, if possible (not mandatory).

Recommendation:
Take foremost Business modules; decide whether you want to do Economics in Hohenheim or Venice

2. Year: Università Ca'Foscari di Venezia 60 EP

Compulsory major module **6 EP**

- Legal (6 EP)

Further Modules **30 EP**

Module Choice depending on course choices during first year.

Over the two years, ensure that all minimum credit requirements are met (see left side).

If students have not yet met the minimum required credits in a focus area (Business, Economics, Statistic/Math and Legal), they are required to take courses in this field in Venice to reach the required number.

The remaining credits can be completed with free electives.

Internship during time in Venice **9 EP**

(or work experience in Germany during first year >225 hours + 1 elective in Venice (6EP))

Master-Thesis **15 EP**

*This study plan refers to the curricula of the Master programs „Master in Management" and „Laurea Magistrale in International Management".

** Compulsory basic Modules also count towards the focus area credit requirements.

*** Courses can be recognized only in one focus area.

Students have to choose courses different from those already taken during the 1st year. A learning agreement must be approved by the home and the host university.

2026 -2028

Over the two years, students have to obtain a minimum of:

* Courses can be recognized only in one focus area
** not recommended during 1st year
